

# Career Launch Scholarship

This scholarship serves as a vital support system for high school graduates going directly into the workforce. It represents our commitment to assisting individuals who choose to embark on their professional journey immediately after graduation. By offering financial aid and encouragement, this scholarship aims to empower and equip these young adults with the resources needed to navigate the transition from the classroom to the workforce successfully. It underscores the belief in the importance of early career development and the potential for achievement in various career paths.

This scholarship will provide assistance to Cushing High School students who want to pursue a career in the technical/vocational field (i.e., electrical, automotive, HVAC, welder, equipment operator, etc.)

## **Scholarship Requirements:**

1. Must be a senior at Cushing High School
2. Must be pursuing a career in a technical/vocational field
3. Must have a GPA of 2.0 or above
4. Must demonstrate financial need

## **To Apply**

1. Submit a resume to the school counselor for by April 1<sup>st</sup>
2. Interview with the Cushing ISD Education Foundation Board of Directors
